Sir, - Bangalore -

I have the honor to state that the Government Challiam at Harihar of the Davanagere Taluk is now in receipt of a monthly Cashk of Rs. 51-9- of which Rs 15-9-" represents the Cash Salary of the establishment Consisting of 8 Servants as shown in the margin*

of bona-fide travellers is merely nominal.

3. I am of opinion that the practice of issuing Cooked food should be stopped, & that the establishment should be considerably curtailed. The only servants required, are one man (Cook & Waterman) on 4 Rs. a month, and a Sweeper on 2 Rupees a month. In order to make the Service attractive, I would in addition to cash pay, give these two Servants a daily allowance of one seer & half a seer of rice respectively with Condiments. As a rule, raw rations may be issued to travellers. In special cases, food may be Cooked for them & served in the Chattiram.

4. The Chattiram is located in the premises of the Hariharaswara

temple

temple and virtually forms part of that institution - I would recommend that it be officially recognized as part of the temple & placed under the management of the Dharmadarsees thereof. The taskik of the temple & Chattiram may be amalgamated, and the two servants proposed for the former may be regarded as part of the temple establishment.

5 - Should this proposal meet with the approval of Government, I shall not only make proper arrangements for the issue of raw rations to travellers, but also submit an estimate for the purchase of a few sets of small Cooking utensils.

The

The cases of Servants to be thrown out of Office will also be dealt with on receipt of Government Sanction.

His No: 309 / Muz: 23-93 dated 21st September 1893, enquiring what provision it is proposed to make for such of the servants of the Amachatram at Harihar as might be thrown out of employment.

In reply has the honor to state that the present Swayampaki and sweeper will be retained on a salary of Rs 5 and 2 respectively. Since the supplementing of cash salary by an

allowance

allowance of rice &c, does not seem desirable, it is proposed to pay the former Rs 5/- instead of Rs 4/- as recommended in this office No $\frac{216}{16}$ dated 16th September 1893. Of the remaining 5 Servants, the firewood fetcher has put in very short service, having been entertained so recently as in April 1893. Her services may therefore be dispensed with altogether. The other four are entitled to some consideration and may be given a gratuity of half a month's pay for each year of complete service. The total amount thus payable would come to about Rs 58-12-:

2. Early orders are solicited approving of the proposals made by the undersigned regarding the revision of the Chatram Establishment and the amalgamation of the Chatram and Harihareswara temple and of their tastiks.

Correspondence ending with Docket No. 34 of 10th July 1894, from the Deputy Commr., Chitaldrug District, regarding the Govt. Annalchattram at Harihar.

No. 179-80 of 20/11/94
Mus 7 23-93

Order thereon

The Deputy Commr. reports that out of the monthly Jasdik of Rs 51-9-0 allotted to the Govt. Annalchattram at Harihar Rs 15-9-0 represents the Cash salary of the establishment attached to the destitution and that the bulk of the Paditara goes to feed this unnecessarily large establishment. He therefore recommends the discontinuance of the practice of issuing cooked food in the Chattram and

introduction instead, of the System of issuing raw rations as more advantageous to travellers, as also, with this change the necessity disappears for the retention of such a large establishment as the present one, which might then be curtailed to two Servants, viz, a Sweeper on Rs 2/- a month, and one man (both cook & waterman) on Rs 5/- a month, the latter also cooking food for weak or sickly Travellers, who might occasionly need such assistance. As regards the other servants of the Chattram the Deputy Comm^r proposes to do away with their services altogether on payment of gratuity at half a month's salary for each year

of complete service.

2. The Chattram being located in the premises of the Hariharesswara temple, and virtually forming part of the latter dstn. the Dy Commissioner ~~he~~ further recommends that the Jasdiks of the temple and the Chattram, may be amalgamated, the two servants proposed to be retained for the Chattram being regarded as part of the temple establishment

3. The Govt approve of the proposals of the Deputy Commr as regards the discontinuance in the Chattram of the practice of giving cooked food and the introduction instead of the system of issuing raw rations to travellers, and direct that the same be carried out with effect from 1st Sept 1864.

4. The revision of the present Chattram establishment as proposed by the Dy Commr is also sanctioned with effect from the same date.

5. As regards the servants who might be thrown out of employment under the revised arrangements, the Dy Commr is requested to submit a statement as per form annexed shewing their length of service, age &c.

6 Lastly as regards the proposals to amalgamate the Jasdiks of the Harihareswara temple, and of the Govt Amalchattram located therein, the Govt observe that separate title-deeds having been issued for the allowances payable to each of the Instns, it is not desirable to amalgamate them together as proposed by the Dy Commr.
